

Request for Information (RFI) 12/25 concerning sustainable solutions for waste management, transforming it from a nuisance into a resource

The Haifa Economic Corporation Ltd. (hereinafter: "the HEC") hereby seeks information (by means of an RFI - Request for Information) concerning sustainable waste treatment solutions,

in order to transform it from a nuisance into a resource.

1. Any party regarding itself as qualified to submit a response to the RFI is invited to provide such a response in accordance with the outline set out in the body of the RFI.
2. The full text of the application may be downloaded, free of charge, under the "Tenders" tab from the HEC website - www.hec.co.il.
3. A response to this request shall be submitted by email to ofer@hec.co.il
no later than the 31.7.2025
4. Insofar as updates are required in connection with this RFI up to the deadline for submitting responses to the RFI, they will be publicised from time to time on the HEC website, and the respondents to the RFI have the responsibility of following these publications.
5. **It is hereby clarified and emphasized that this request is neither to be regarded as an invitation to submit bids nor part of the tender process, but is made solely for the purpose of obtaining information, following which the Tenders Committee will consider any further action.**
6. This request is not such as to give rise to any obligation towards any of the respondents, nor does a response lead to any obligation of any kind towards the respondents and/or confer any advantage to them. The Tenders Committee will be at liberty to consider its steps and act in accordance with its sole discretion.

In any case of conflict between the provisions of this announcement and those set out in the RFI documents, the latter shall prevail.
